Through her unwavering dedication and the tireless efforts of her team, Fetch Angel Paws has touched the lives of countless animals, giving them a second chance at happiness and a loving home.

The Genesis of Fetch Angel Paws

Jordan Taylor's passion for animal welfare began at a young age. Growing up on a farm, she witnessed firsthand the profound bond between humans and animals. However, it was an encounter with a stray cat named Angel that ignited her desire to make a difference in the lives of abandoned and neglected animals.

After rescuing Angel from the streets, Jordan Taylor realized the overwhelming need for a comprehensive animal rescue and rehabilitation organization. In 2015, she founded Fetch Angel Paws, a non-profit organization that would cater to the needs of animals who had lost their way.
