Tarot cards are a powerful tool for self-discovery, guidance, and connection with the divine. If you're new to tarot, choosing your first deck can be a daunting task. But with a little research and guidance, you can find a deck that resonates with you and helps you on your spiritual journey.

Types of Tarot Decks

There are many different types of tarot decks available, each with its own unique artwork, symbolism, and interpretation. Some of the most popular types of decks include:

- **Rider-Waite-Smith deck:** This is the most popular tarot deck in the world, and it's a great choice for beginners. The artwork is clear and

easy to understand, and the symbolism is based on traditional Western esotericism.

- **Thoth deck:** This deck was created by Aleister Crowley and Lady Frieda Harris in the early 20th century. It's a more complex deck than the Rider-Waite-Smith deck, and it's based on Crowley's own system of Thelema.
- **Marseille deck:** This deck is based on the original tarot decks that were created in the 15th century. It's a simple deck with minimal artwork, and it's a good choice for readers who want to focus on the traditional meanings of the cards.
- **New Age decks:** There are many different New Age tarot decks available, each with its own unique theme. These decks often feature modern artwork and symbolism, and they can be a good choice for readers who are interested in exploring new spiritual practices.

How to Find a Deck That Resonates With You

The best way to find a tarot deck that resonates with you is to hold different decks in your hands and see how they feel. Pay attention to the artwork, the symbolism, and the overall energy of the deck. If a deck feels good to you, it's a good sign that it's a good match for you.

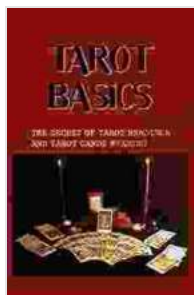

You can also read reviews of different decks online or in tarot books. This can give you a good idea of what other people think of the deck and whether it might be a good fit for you.

Other Factors to Consider

When choosing a tarot deck, there are a few other factors to consider, such as:

- **The size of the deck:** Decks come in a variety of sizes, from small decks that are easy to carry around to large decks with detailed artwork. Choose a deck that is a comfortable size for you to handle.
- **The material of the cards:** Decks can be made from a variety of materials, such as paper, cardboard, or plastic. Choose a deck that is durable and will stand up to regular use.
- **The price of the deck:** Decks can range in price from a few dollars to hundreds of dollars. Choose a deck that fits your budget.

Choosing a tarot deck is a personal journey. There is no right or wrong answer, and the best deck for you is the one that resonates with you. Take your time, do your research, and find a deck that you love.
