

The Examined Life: Advanced Philosophy for Kids Grades 12+

What is The Examined Life?

The Examined Life is a philosophy curriculum designed for high school students. It is a comprehensive and rigorous program that introduces students to the major philosophical questions and traditions. The curriculum is based on the idea that philosophy is not just a spectator sport, but an active practice that can help students to live more meaningful and fulfilling lives.

The Examined Life is divided into four units:

- **Unit 1: The Nature of Reality**
- **Unit 2: The Nature of Knowledge**
- **Unit 3: The Nature of Value**
- **Unit 4: The Nature of the Good Life**

Each unit is divided into several lessons, each of which focuses on a specific philosophical topic. The lessons are designed to be interactive and engaging, and they use a variety of teaching methods, including discussion, debate, and writing.

What are the benefits of The Examined Life?

There are many benefits to taking The Examined Life, including:

- **Improved critical thinking skills.** Philosophy is a discipline that requires students to think critically about the world around them. The Examined Life helps students to develop their critical thinking skills by teaching them how to identify and analyze arguments, and how to develop their own well-reasoned responses.
- **Increased knowledge of philosophy.** The Examined Life provides students with a comprehensive overview of the major philosophical questions and traditions. This knowledge can help students to better understand the world around them and to make more informed decisions about their own lives.
- **Enhanced self-awareness.** Philosophy is a discipline that encourages self-reflection. The Examined Life helps students to develop their self-awareness by teaching them to identify their own values and beliefs, and to critically examine their own choices and actions.
- **Improved communication skills.** Philosophy is a discipline that requires students to communicate their ideas clearly and concisely.

The Examined Life helps students to develop their communication skills by teaching them how to write and speak persuasively.

Who is The Examined Life for?

The Examined Life is for any high school student who is interested in learning more about philosophy. The curriculum is particularly well-suited for students who are interested in pursuing a career in philosophy, law, or other fields that require critical thinking and communication skills.

How do I get started with The Examined Life?

The Examined Life is available in two formats:

- **Online course:** The online course is self-paced and can be completed at your own pace. The course includes video lessons, readings, and discussion forums.
- **Textbook:** The textbook is a comprehensive overview of the major philosophical questions and traditions. The textbook can be used on its own or as a supplement to the online course.
