

The Lost Fleet: A Gripping Space Opera by Jack Campbell

The Lost Fleet is a thrilling space opera series by Jack Campbell that follows the adventures of Captain John "Black Jack" Geary and the lost fleet of the Alliance. The series is set in a distant future where humanity has spread across the stars, but has lost contact with its home planet, Earth. The Alliance is a loose confederation of human worlds that is constantly under threat from alien enemies.

The series begins with the novel *Dreadnought*, in which Captain Geary is awakened from cryosleep to find himself in command of a fleet of warships that has been lost in space for over a century. The fleet is badly damaged and outgunned, and Geary must use all of his skill and experience to lead his crew back to safety.
